Dear Sir/ Madam,

Please forgive me if my request is not acceptable by your kind person.

I am Mohaiyani Binti, who works in CB (BURKINA FASO) as a non-independent non-executive Director and President of CORIS BANK. During our last banking audits, we discovered that an account abandoned belongs to one of our deceased foreign clients, Mr. Wang Jian, co-founder and co-chair of the HNA Group, a Chinese conglomerate with important real estate properties throughout the US. in an accident during a business trip in France on Tuesday.

I got your contact from a yahoo tourist search while I was searching for a foreign partner. I am assured of your capability and reliability to champion this business opportunity when I prayed about you.

I am writing to request your assistance to transfer the sum of \$15,000,000.00 (fifteen million United States dollars) at its counts as Wang Jian's last foreign business partner, which I plan use the fund to invest in public benefit as follows

1. Establish an orphanage home to help orphaned children.
2. Build a hospital to help the poor.
3. Build an asylum for the elderly and homeless.

Meanwhile, before contacting you, I did an investigation to locate one of the relatives of the late Mr. Wang Jian who knows the account, but I didn't

succeed. However, I took this decision to support orphans and less privileged children with this fund, because I don't want this fund transferred to our Account of Government treasury as an unclaimed fund. I am willing to offer you 50% of the fund for your support and assistance to transfer the fund to your account.

More detailed information will be sent to the desegregation explaining how the fund will be transferred to you Please continue to achieve the purpose,

Waiting for your urgent response.

Attentively
